

Request of Patent Application for Invention

Please fill in this form according to the NOTES			This column will be filled by SIPO				
⑦ Title of Invention					①Application No. (Invention)		
					②Submitting date of Divisional application		
⑧ Inventor(s)					③Filing date		
					④Approval of fee reduction		
					⑤Approval of filing patent applications abroad		
⑨ Nationality of the first inventor		Citizen identification card number		⑥Number of Registered letter			
⑩ Applicant(s)	(1)	Name or Title			Tel		
		Citizen identification card number or the code of the organization			E-mail		
		Nationality or the country or region in which the applicant is registered					
		Postal code		Address			
	(2)	Name or Title			Tel		
		Citizen identification card number or the code of the organization					
		Nationality or the country or region in which the applicant is registered			Habitual residence or business office		
		Postal code		Address			
	(3)	Name or Title			Tel		
		Citizen identification card number or the code of the organization					
		Nationality or the country or region in which the applicant is registered			Habitual residence or business office		
		Postal code		Address			
	⑪ Contact person	Name		Tel		E-mail	
		Postal code		Address			
	⑫ When the representative is not the first named applicant Declaration: The ___ named applicant is the representative						
⑬ Patent agency	Beijing RisingMark Intellectual Property Agency (RSMK)_		Org. code of the agency		11617		
	Patent agent (1)	Name		Patent agent (2)	Name		
		Professional certificate No.			Professional certificate No.		
		Tel 010-87642418			Tel		
⑭ Divisional application	Initial application number		Divisional application number		Initial filing date		

Request of Patent Application for Invention

⑮ Sample of the Biological material		Depository institution		Address			
		Date of deposit		Accession number of deposit		Scientific name of the biological material	
⑯ Sequence listing		<input type="checkbox"/> This application for patent relates to nucleotide or amino acid sequence listing		⑰ Genetic resources		<input type="checkbox"/> This application for patent is filed for an invention-creation which is developed on the basis of genetic resources	
⑱ Declaration of claiming priority	Name of the prev. authority	Filing date of the prev. application	Appl. No. of the prev. application		⑲ Declaration of grace period concerning novelty		<input type="checkbox"/> First exhibited at an international exhibition sponsored or recognized by the Chinese government <input type="checkbox"/> First made public at a prescribed academic or technological meeting <input type="checkbox"/> Disclosed by another person without the consent of the applicant
					⑳ Secrecy request		<input type="checkbox"/> This application may relate to the vital interests of the State and is required to be kept secret <input type="checkbox"/> Certifying documents for secret have already been filed
㉑ <input type="checkbox"/> When filing the application for patent for invention, the application for utility model for the identical invention-creation has also been filed on the same day					㉒ Earlier publication		<input type="checkbox"/> Request for earlier publication
㉓ List of documents				㉔ List of documents			
1.Request		1 Copy(ies)	2 Page	<input type="checkbox"/> Request for fee reduction		Copy(ies)in total of pages	
2.Abstract		1 Copy(ies)	1 Page	<input type="checkbox"/> Certifying documents of request for fee reduction		Copy(ies)in total of pages	
3.Figure accompanying the abstract		1 Copy(ies)	1 Page	<input type="checkbox"/> Request for substantive examination		Copy(ies)in total of pages	
4.Claims		1 Copy(ies)	2 Page(s)	<input type="checkbox"/> Reference materials concerning substantive examination		Copy(ies)in total of pages	
5.Description		1 Copy(ies)	46 Page(s)	<input type="checkbox"/> Certifying documents of the assignment of the right of priority		Copy(ies)in total of pages	
6.Drawings		1 Copy(ies)	19 Page(s)	<input type="checkbox"/> Certifying documents for secret request		Copy(ies)in total of pages	
7.Nucleotide or amino acid sequence listing		Copy(ies)	Page(s)	<input type="checkbox"/> Power of attorney		Copy(ies)in total of pages	
8.Computer-readable copy of the nucleotide or amino acid sequence listing			Copy	General power of attorney (number____)			
				<input type="checkbox"/> Copy of previous application documents		Copy	
Number of claims		22item(s)		<input type="checkbox"/> Translation of the first page of the copy of previous application documents		Copy	
				<input type="checkbox"/> Secrecy request for applications to be filed abroad		Copy in total of pages	
				<input type="checkbox"/> Other certifying documents (indicate the name of the document)		Copy(ies) in total of pages	
㉕ Signature or seal of all of the applicants or patent agency				㉖ Opinions of SIPO
