

Written Statement Concerning the Entry into the National Phase for the International Application (Invention)

Please fill in the form correctly according to the NOTES		This column will be filled in by CNIPA			
⑤ File reference No. of the patent agency		① National application number			
⑥ International Application Number					
⑦ International filing date				② Submitting date	
⑧ Priority date					
⑨ International Publication Number				③ Approval of fee reduction	
⑩ International Publication Date					
⑪ International Publication Language		④ Number of Registered letter			
⑫ Title of invention					
⑬ Inventor(s)					
⑭ Nationality of the first inventor		MY	Citizen identification card number		
⑮ Applicant(s)	(1)	Name or Title		Tel	
		Citizen identification card number or code of the organization		E-mail	
		Nationality or the country or region in which the applicant is registered		Habitual residence or business office	
		Postal code	Address		
	(2)	Name or Title		Tel	
		Citizen identification card number or code of the organization			
		Nationality or the country or region in which the applicant is registered		Habitual residence or business office	
		Postal code	Address		
⑯ Contact person	Name		Tel	E-mail	
	Postal code		Address		
⑰ When the representative is not the first named applicant Declaration: The ___ named applicant is the representative					
⑰ Patent agency	Beijing RisingMark Intellectual Property Agency (RSMK)		Org. code of the agency 11617		
	Patent agent (1)	Name		Patent agent (2) Name	
		Professional certificate No.		Professional certificate No.	
Tel 010-87642418		Tel			
⑱ Early processing					
<input type="checkbox"/> The time limit of 30 months from the priority date has not expired, the SIPO is requested to handle and examine the said international application in accordance with Rule 111 of the Implementing Regulations of the Patent Law.					
<input type="checkbox"/> The international application has not been published by the WIPO and the SIPO, which serves as the designated Bureau, is requested to request the International Bureau to transfer the copy of the international application.					
* If the applicant does not want to request for early processing of said international application before the expiration of 30 months from the priority date, please cancel the default option above.					

Written Statement Concerning the Entry into the National Phase for the International Application (Invention)

<input checked="" type="checkbox"/> Earlier publication: Request for earlier publication of said patent application in accordance with Article 34 of the Patent Law.				
<input checked="" type="checkbox"/> Statement of Basis Text for Examination				
<input type="checkbox"/> The Chinese translation of the original international application is served as the basis of examination <input checked="" type="checkbox"/> The following application documents are served as the basis of examination				
<input checked="" type="checkbox"/> Description	Page(s) <u>1-9</u> , Page(s) _____,	Chinese translation of the original international application Chinese translation of the attachments of the international preliminary report (Chapter 2 of PCT)		
<input checked="" type="checkbox"/> Claims	Page(s) _____, Item(s) _____, Item(s) <u>1-13</u> , Item(s) _____,	Amendments under Article 28/41 of PCT Chinese translation of the original international application documents Chinese translation amended under Article 19 of PCT Chinese translation of the international preliminary report (Chapter 2 of PCT)		
<input checked="" type="checkbox"/> Drawings	Page(s) <u>1-12</u> , Page(s) _____,	Amendments under Article 28/41 of PCT Chinese translation of the original international application documents Chinese translation of attachments of the international preliminary report (Chapter 2 of PCT)		
<input type="checkbox"/> Nucleotide and/or amino acid sequence listing	Page(s) _____, Page(s) _____,	Amendments under Article 28/41 of PCT Chinese translation of the original international application documents Chinese translation of the attachments of the international preliminary report (Chapter 2 of PCT)		
<input type="checkbox"/> Page(s) _____, Page(s) _____,	Amendments under Article 28/41 of PCT			
<input checked="" type="checkbox"/> Declaration of claiming priority	Name of the prev. authority	Filing date of the prev. application	Appl. No. of the prev. application	<input checked="" type="checkbox"/> Statement of genetic resources <input type="checkbox"/> This international application for patent is filed for an invention-creation which is developed on the basis of genetic resources
<input checked="" type="checkbox"/> Statement of incorporation by reference				
<input type="checkbox"/> The international application includes some elements or parts of incorporation by reference in its international phase, but the submitted Chinese translation does not include said elements or parts of incorporation by reference. <input type="checkbox"/> The international application includes some elements or parts of incorporation by reference in its international phase and the submitted Chinese translation includes the following elements or parts of incorporation by reference, the applicant requests to modify the filing date in China: <input type="checkbox"/> Page _____ of description, the date on which the incorporation by reference was submitted is: _____; <input type="checkbox"/> Item _____ of the claims, the date on which the incorporation by reference was submitted is: _____.				
<input checked="" type="checkbox"/> Depository of the sample of biological materials	<input type="checkbox"/> The depository of sample of biological materials related to the international application has been disclosed within the prescribed time limit of PCT Rule 13bis.4 as follows.			
	Accession number of deposit	Depository date	Depository institution	Page line of Chinese translation of the description or Form of PCT/RO/134

Written Statement Concerning the Entry into the National Phase for the International Application (Invention)

26 Declaration of grace period concerning novelty

27 Request for Review

- Applicant has received the following notification on the date of:
- Receiving office has refused to accord an international filing date
 - The International Bureau has made a decision under Article 12(3) of PCT
 - Receiving office has declared the application to be deemed withdrawn
- Request the SIPO to review the international application under Article 25 of PCT, and
- Have requested the International Bureau to transfer the related documents in the file to the SIPO
 - Have gone through the formalities for entering into Chinese national phase under Rule 103 of the Implementing Regulations of the Patent Law

28 List of application documents

1.Entering Statement	1 copy(ies)	3	page(s)
2.Abstract	1 copy(ies)	1	page(s)
3.Figures accompanying the abstract	1 copy(ies)	1	page(s)
4.Claims	1 copy(ies)	3	page(s)
5.Description	1 copy(ies)	9	page(s)
6.Drawings	1 copy(ies)	12	page(s)
7.Form of PCT/RO/134	copy(ies)		page(s)
8.Nucleotide and/or amino acid sequence listing	copy(ies)		page(s)
9.Computer-readable copy of the nucleotide or amino acid sequence listing		copy(ies)	
Number of claims:		15	

29 List of the attachments

<input checked="" type="checkbox"/> Chinese translation of the amendments under Article 19 of PCT	copy(ies)	page(s)
<input type="checkbox"/> Chinese translation of the attachments of the international preliminary report on patentability (Chapter 2 of PCT)	copy(ies)	page(s)
<input type="checkbox"/> Amendments under Rule 28/41 of PCT	copy(ies)	page(s)
<input type="checkbox"/> Power of attorney General Power of attorney (Number:)	copy(ies)	page(s)
<input type="checkbox"/> Request for substantive examination	copy(ies)	page(s)
<input type="checkbox"/> Document certifying the assignment of right of patent application	copy(ies)	page(s)
<input type="checkbox"/> Document certifying the assignment of right of priority	copy(ies)	page(s)
<input type="checkbox"/> Declaration for the change in bibliographic data	copy(ies)	page(s)
<input type="checkbox"/> Certificates of deposit of biological materials	copy(ies)	page(s)
<input type="checkbox"/> Certificates of viability of biological materials	copy(ies)	page(s)
<input type="checkbox"/> Registration form for indicating the source of genetic resources	copy(ies)	page(s)
<input type="checkbox"/> Certified copy of the international application	copy(ies)	page(s)
<input type="checkbox"/> Recorded certified documents (Recorded number of certified documents_____)	copy(ies)	page(s)

30 Signature or seal of all the applicants or the patent agency
